Hello Fellow Quilters,

I hope that everyone is staying healthy during these trying times. I have missed seeing many of you on the zoom meetings but understand that getting on zoom may be a challenge for many of you. If you need assistance please call Nancy Harris and she is very willing to help you get started and even try a meeting.

We have a Facebook page that is solely for members of the Burke Quilt Guild so please join that and that is a way that we can all remain in contact with each other and show each other the projects that we are completing. The Facebook page is Burke Quilters' Guild. Private Group.

There are videos on the Facebook page as well.

Also I'd like to remind everyone if you order from Amazon then go to smile.amazon.com and choose your charity as Burke Quilters Guild Inc in Morganton, NC and a small portion of your purchase will go to the guild. This costs you nothing and it does help the guild.

We will start having therapy day via zoom for Sept and I will be instructing a class on the attic window quilt. Look in the newsletter for more information.

Please continue to contact Phyllis Fox if you know anyone who is sick so she can send out a card.

Remember the monthly meeting is the fourth Monday of the month. Joanne Hinkle is inviting you to a scheduled Zoom meeting.
