Hello fellow quilters,

I hope that all of you are continuing to stay healthy and getting lots of sewing done.

We had our first virtual therapy day in Sept. with me teaching the attic window quilt. The therapy day for November will be paper piecing and taught by Cindy Konarski.

We are looking for ideas of different projects that we can do online just in case we are not able to meet in person in 2021. If anyone has any ideas of a place where we might be able to meet if the Senior Center remains closed. Also, I was wondering if each of you would come out to a meeting if we did find a place.

For all of you who have not joined us via zoom during the past months would you please contact a board member and let them know how you are doing and if there is anything, we can do to assist you in maintaining contact as a member of the guild. I am open for any ideas that you might have. If you feel a certain way you are probably not the only one who feels that way so please speak up. If you wish to call me. Looking forward to hearing from you.

NEW October things to come!

Hello everyone!

Terrie at Bill's has agreed to reschedule a Zoom session with us on **October 12th**. She will show us around the newly renovated Bill's Sewing.

Joanne H, will you set up a Zoom session for that morning at 10:00 and send Terrie the link?

Things to come!

Hello!

Here are some pictures showing ideas for the **November paper piecing Therapy Day**. Only the bows on the presents are paper pieced.

Martha at the Cotton Quilt has the pattern, it's \$9.00. Please ask people to contact me if they'd like to participate.

Thanks!
Cindy K

It's 2021 Budget Time

This is the 2020 Budget and Actuals as of September 30. Obviously COVID has wreaked havoc on our plans for the year and the expenditures are far below our expectations. So are the income items as we have yet to collect dues for 2021 and have had virtually no fundraising. Your board will be meeting in October to review plans for the 2021 budget including dues for 2021. I have asked committees for their input regarding expenditures for 2021 assuming that we will be able to return to some new "normal" in 2021. If you have any thoughts or concerns about the budget or dues for 2021, please direct them to Nancy Harris, and I will share these with the board as we work through the budget. You will have an opportunity to vote on the budget during our October Zoom meeting.
